Pasco-Hernando Workforce Board

Job Creation!

The Florida Back to Work Program has created over **190 job openings**. These job openings represents 17 employers hiring **140 positions in Pasco County** and **50 positions in Hernando County** at an amount of **\$2.9 million in Federal Stimulus** funds placing people to work in our communities.

Return on Investment

Return on investment (ROI) shows nearly **\$3,000,000** being returned to the community through training programs. The recent ROI study completed for the program year of 2008-2009 reveals the value of workforce programs available to the counties, citizens and employers through Career Central. The report estimates Career Central's dislocated worker and adult disadvantage training program returned **\$1.41** for every **\$1.00** spent in Pasco and Hernando counties.
